### Appointment and retirement of Directors

The rules concerning the appointment and replacement of Directors are set out in the Articles of Association. The Board has the power to appoint any person as a Director to fill a casual vacancy or as an additional Director, provided the total number of Directors does not exceed the maximum prescribed in the Articles of Association. Any such Director holds office only until the next AGM and is then eligible to offer themselves for election.

The Articles of Association also require that all those Directors who have been in office at the time of the two previous AGMs, and who did not retire at either of them, must retire as Directors by rotation. Such Directors are eligible to stand for re-election. However, in line with the Code's recommendation, all Directors will stand for re-election at the 2022 AGM.

### Directors' conflicts of interest

In accordance with the CA2006, all Directors must disclose both the nature and extent of any potential, actual or perceived conflicts with the interests of the Company. We explain the procedure for this on page 69.

### Insurance and indemnities

The Group has Directors' and Officers' liability insurance in place, providing appropriate cover for any legal action brought against its Directors. Qualifying third-party indemnity provisions (as defined by Section 234 of the CA2006) were in force during FY22 and a Deed of Indemnity with the Directors was put in place. These provisions remain in force for the benefit of the Directors, in relation to certain losses and liabilities which they may incur (or have incurred) to third parties in the course of acting as Directors of the Company.

No voting rights are exercised in relation to shares unallocated to individual beneficiaries. The trustees have a dividend waiver in place in respect of unallocated shares held in the trust.

### Powers of the Directors to issue or purchase the Company's shares

The shareholders gave this approval at the 2021 AGM.
